

DISTRICT 4 HONOR CARRIER FOR APRIL

Leigh Bryant
Rt. 452

Leigh has had this route for two years as of May 1. In that time she had no complaints phoned in against her. Moreover, from a coverage of about 3/4 of Wilelinor Estates, Leigh has been steadily chipping away at her non-customers, to the extent that, during April, the Evening Capital reached 100% penetration in Wilelinor. Every house gets the Evening Capital. In addition, Leigh has thrown herself into every contest we've had and during the Williamsburg lottery, chalked up 15 starts, both around Wilelinor and on a number of solicitation crews. A 7th grader on the honor roll at St. Mary's, Leigh collects spoons and makes candles. She is also interested in athletics, i.e. anything but golf.
